

# **SATICOY SENIOR MEN'S GOLF CLUB**

## **LOCAL CLUB RULE – DRIVING RANGE SCREEN**

**OCTOBER 28, 2021**

When playing hole #1 (or #10) and a ball, hit from the tee, passes through the screen between the right side of the fairway and the driving range, and is found, seen, or virtually certain to be on the driving range, there is no penalty. The ball may be retrieved, or a new ball can be played, and dropped two club lengths from the screen where the ball was found or virtually certain to be in the range, no closer to the hole. Note: a ball that passes over the top of the screen and lands on the driving range is out of bounds.
